

**ICAAM's GRAND CHARITY GALA DINNER  
WITH  
YABHG TUN DR MAHATHIR MOHAMED  
and YABHG TUN DR SITI HASMAH**

**INTRODUCTION**

Imperial College Alumni Association Malaysia (ICAAM) will be holding a Grand Gala Charity Dinner on Saturday 2nd March 2013 at the Grand Ballroom, Westin Hotel, Kuala Lumpur to be graced by our former Prime Minister YABhg Tun Dr. Mahathir bin Mohamed and YABhg Tun Dr. Siti Hasmah Bt Hj Mohd. Ali. This event would indeed be significant for ICAAM as it will be a decade since Tun Dr Mahathir was the featured guest at ICAAM's The Grand Gala Dinner in 2003.

ICAAM is a non-profit making and apolitical body, officially formed in March 1995. It aims to connect alumni of the prestigious Imperial College London formerly known as Imperial College of Science, Technology and Medicine. Imperial College graduates are highly sought after for their talents, thoughts and academic excellence.

ICAAM to date has more than 200 members, and there are more than 1,000 alumni throughout Peninsular and East Malaysia. ICAAM hopes to serve as a network for its members and alumni in the field of science, medicine, management, engineering and computing so that its members can be at the forefront of these industries. Events are regularly organised as a networking platform connecting ICAAM members, as well as the Alumni of other top British Universities. ICAAM is currently working on a number of initiatives including membership growth, networking sessions, social activities and charity programmes.

This fund-raising event is being organised for an Education Fund whereby parts of the proceeds will be used to help fund prospective students with financial constraints. We sincerely hope that the sponsorship options provided for this Grand Charity Gala Dinner will be taken up to support ICAAM and its continuing charity programmes. A Sponsorship Proposal and form are enclosed.

Please also kindly contact us at [contact@icaam.org.my](mailto:contact@icaam.org.my) for any interest to sponsor other events regularly organised by ICAAM. Further details of ICAAM's events are available at <http://www.icaam.org.my>.

---
